Kaiser Foundation Health Plan, Inc., et al., San Diego Superior Court No. 37-2008-00068370-CU-NP-SC; and

Desert Valley Hospital, Inc., et al. v. Kaiser Foundation Health Plan, Inc., et al., Los Angeles Superior Court No. BC390969.

The Court has deemed this matter to be complex litigation within the meaning of the California Rules of Court, rule 3.400 et. seq. As such, this is a case that requires specialized management to avoid placing unnecessary burdens on the Court or the litigants, and to minimize

Pursuant to Code of Civil Procedure §187 and California Rule of Court 2.253(a), and the stipulation of the parties, the Court finds that entry of this Order is necessary for the just and more expeditious and efficient resolution of the above-captioned litigation. When a party to this litigation wishes to serve a Document to counsel of record, that party shall effectuate service of the Document by the procedure set forth in this Order (subject to the exceptions outlined herein):

I. <u>LEXISNEXIS FILE & SERVE</u>

1. In order to facilitate case management, document retrieval and case organization, the parties will utilize the services of LexisNexis File & Serve ("LNFS") and its litigation system (the "System") for providing electronic service, storage and delivery of court-filed and limited discovery-related documents through a secure website to facilitate communication by and amongst counsel. The "Documents" subject to this Order shall include (1) court-filed pleadings and motions, both formal and informal, including any exhibits and (2) written discovery-related documents, including interrogatories, requests for production, responses thereto, and deposition notices, but for confidentiality reasons, shall not include deposition transcripts or documents produced in response to requests for production, unless attached to correspondence, motions, or pleadings in an appropriately redacted state. Each attorney shall determine individually whether to utilize the System to serve correspondence. Correspondence between the parties uploaded to the System should be limited to issues that may necessitate the involvement of the Court. The

CROWELL & MORING LLP Court, at its option, may also use LNFS and its System for these purposes, and to communicate with counsel of record. All Documents including attachments or exhibits shall have the attachments and exhibits bookmarked on the pdf documents uploaded to the LNFS website.

2. The System should not be used to serve or produce Documents containing confidential or personal health information. In the event that any Document contains

Confidential Material pursuant to the Amended Stipulated Protective Order or personal health information, such Documents must be filed and served in compliance with the Court rules or Orders pertaining to filing such materials. Notwithstanding any other provision herein, any and all Documents filed on the System shall be redacted to remove such Confidential Material or protected health information.

II. SERVICE ONLY

The System shall apply only to the service of Documents, and not to their filing. Original Documents must still be filed in the traditional manner (i.e., filing the signed original document with the Court), pursuant to the applicable California Rules of Civil Procedure and Local Rules of such Court. In addition to service utilizing the LNFS system, counsel must continue to serve Documents via email in accordance with the February 9, 2012 Amended Stipulation and Order for Electronic Service.

III. SERVICE LIST & SIGN-UP

1. Within five (5) days of this Order, Plaintiff's counsel shall submit to the LNFS representative Keith Foote, at keith.foote@lexisnexis.com a complete and current service list of counsel of record for this litigation. Within ten (10) days of this Order, each attorney of record for this litigation, or within ten (15) days of the entry of appearance for a new attorney of record, shall register for electronic service in this litigation by completing the application located at the following website: http://www.lexisnexis.com/fileandserve (advanced registration). Only those individuals identified as counsel for the parties and the Court and its staff shall have access to the System.

1. When any counsel of record wishes to serve a Document, that counsel shall serve the Document according to all the requirements and procedures of this Order.

- 2. LNFS shall establish and maintain an Internet website (the "Website") for this litigation. LNFS will post all Documents served by the parties to the Website as provided in this Order and shall serve each Document on the parties included on the service list provided to LNFS in accordance with the procedures herein.
- 3. Each attorney shall serve each Document via electronic transfer of the Document file to LNFS via the Internet (either as a word-processing file or a scanned image of the Document). Each attorney shall title each Document to identify the type and purpose of each Document and the party who is submitting such Document. Each Document electronically served pursuant to this Order shall be deemed to have been served under the California Rules of Civil Procedure.
- 4. After LNFS receives a Document, LNFS shall convert such Document into Adobe Portable Document Format ("PDF") and post it to the Website within one (1) hour of receipt.
- 5. Within one (1) hour of the time a Document is posted to the Website, LNFS shall send an email to all registered users notifying them that the Document has been posted to the Website (unless such registered user has declined to receive such email notifications). The email shall contain hypertext link(s) to the Document location(s) on the System (or, if so designated by the recipient, the email shall have the served Document attached thereto).
- 6. Electronic service shall be complete at the time of transmission by the party to LNFS. Any period of notice or any right or duty to do any act or make any response within any period or on a date certain after the service of the Document, which time period or date is prescribed by statute or rule of court, shall be extended after service by electronic transmission by two court days. This extension shall not extend the time for filing a notice of intention to move for new trial, a notice of intention to move to vacate judgment pursuant to Code of Civil Procedure § 663a, or a notice of appeal.

- 7. In the event a Document that is to be filed with the Court is rejected by the Court for filing after it has been posted on the Website by LNFS, if the rejection was caused by an aspect of the caption of the Document, and the filing party successfully files a replacement Document with the Court within two (2) business days of its rejection with revisions to the caption only, then the filing party shall promptly submit a notice of successful filing, including the date of the filing and the revised caption page(s), to LNFS for posting on the Website. In all other circumstances in which a filed Document is rejected for filing after LNFS has posted it on the Website, the filing party shall promptly notify LNFS in writing that the Document was rejected by the Court for filing. LNFS shall then cause a permanent notation to be placed on the Website for the Document memorializing the rejection.
- 8. All Documents posted on the System will be identified by: (a) the name of the serving law firm; (b) the caption(s) of the case(s) to which the Document belongs; (c) the title of the Document set forth on its caption; and (d) the identity of the party on whose behalf the Document is being served.
- 9. The System shall contain an index of all served Documents that will be searchable and sortable according to methods that provide useful continuous access to the Documents.
- 10. Access to the System will be limited to registered users. Registered users will consist of authorized Court personnel, counsel of record and their designated staff members.

 LNFS will provide each registered user with a user name and password to access the System and the Documents served in the litigation. LNFS personnel will perform all administrative functions for the System, but all initial data, additions, deletions or changes to the service list must be approved by the Plaintiffs and Defendants.
- 11. Every pleading, document and instrument served electronically shall bear a facsimile or typographical signature of at least one of the attorneys of record, along with the typed name, address, telephone number and State Bar of California number of such attorney.

 Typographical signatures shall be treated exactly as personal signatures for purposes of electronically served documents, pursuant to the California Rules of Civil Procedure. A party

that serves a Document that requires multiple signatures (e.g., stipulations, joint status reports) must list thereon all the names of other signatories by means of an "s/____" block for each. By submitting such a Document, the serving party certifies that each of the other signatories has expressly agreed to the form and substance of the Document and that the serving party has the actual authority to submit the Document electronically. The serving party must maintain any records evidencing this concurrence for subsequent production to the Court or inspection, if requested.

- 12. Any Document transmitted to the System shall certify in the Proof of Service that a true and correct copy was electronically served on counsel of record by transmission to LNFS.
- 13. Documents filed under seal ("sealed documents") shall not be served through the System. Service of sealed documents shall be made pursuant to the applicable California Rules of Civil Procedure and Rules of Court.
- 14. LNFS shall have available to counsel of record and the Court a 24-hour 365 days per year help desk hotline at (888) 529-7587 and website http://www.lexisnexis.com/fileandserve/support.asp.
- 15. Any party appearing after February 13, 2012, shall have fifteen days from their initial appearance to lodge any objections to this Order and to seek exemption. A copy of this Order shall be served upon any newly appearing party with the initiating pleadings. Exemptions may be granted in the discretion of the Court if it appears that a party would suffer undue hardship or significant prejudice.
- 16. Counsel for Plaintiff is Ordered to prepare, serve and file within 5 days, a Service List identifying all parties and their counsel which shall include the name of lead and backup attorneys, addresses, including email addresses, and telephone numbers for all counsel. Counsel for Plaintiff is further ordered to serve a copy of this ORDER AUTHORIZING ELECTRONIC SERVICE on all counsel concurrent with service of the Service List.
- 17. LexisNexis shall activate the message board function for the above entitled case.

 All attorneys on the service list will automatically have access to the Message Boards and start to receive e-mail notifications of new message board postings. If an attorney does not want to
