

Contact Information For Plaintiff Firms

IMPORTANT

Defense firms should contact the people on this list only if the following situations apply:

1. A defense firm adds a party or firm to a File & ServeXpress service list and is required to notify the plaintiff firm; or
2. A defense firm wants to submit the form entitled "Request to Remove Party/Law Firm from File & ServeXpress Service List" to the plaintiff firm.

For more information about when these two situations apply, please refer the document entitled "Updating Service Lists: Instructions for Defense Firms," which is posted on the San Francisco "Rules & Procedures" page located on the File & ServeXpress Resource Center. If you have other questions related to the File & ServeXpress service lists, please do not contact the people on this list. Instead, call File & ServeXpress Client Support at 1-888-529-7587 or refer to the documents posted on the San Francisco "Rules & Procedures" page located on the File & ServeXpress Resource Center.
