

CASE MAINTENANCE REFERENCE GUIDES

At the direction of the Court, and with the participation of the Probate Review Committee, the following case maintenance reference guides have been approved and are used by the probate section of the Office of the Clerk of Circuit Court in the processing of estate, guardianship and mental health pleadings for the Court in Pasco County. These checklists contain information derived from the Florida Statutes, Rules of court and other Court directives. Revisions will be made to these forms as statutory and other court requirements continue to change and develop.

NOTE: These documents are not an attempt by the Clerk to practice law or give legal advice, it is intended to provide notice of procedures followed by the Clerk's Office at the direction of the Courts, Florida Statutes, rules and Administrative Orders.
