

File & ServeXpress™

LA US District Court Eastern Division E-Service – Vioxx

- File & ServeXpress will not allow additional cases or additional users into the Vioxx Litigation who have not first been cleared by Liaison Counsel to enter the case.
- User can setup custom service lists per individual case or case group as well and mark those private or public.
- Users will not have the ability to add parties to Filing Party or Service list on-the-fly.
- All requests for adding parties must be sent through and approved by Liaison Counsel.
- Faxes (Additional Recipients) over 100 pages will receive prompt of large fax problems. If sending to File & ServeXpress via US Mail to be imaged and served on all parties, then follow the steps required on the request form. See best practices for request form.
- Single and Multiple Case service is enabled.
